

Grandparent Information

The Development Committee is once again seeking the names and addresses of the grandparents from the school community. **Be assured that the information will not be shared with anyone outside of the St. Didacus Parish School community.** The information will ensure that grandparents will receive the Development Newsletter and an invitation to Grandparents Day in January 2010. Feel free to include Great-Grandparents as well.

Save- the- date for Grandparents Day 2010: Thursday, January 28th (minimum day of school)

Even if your child is a returning student and you turned in this information last year, please fill out another sheet so we can update our information.

Please turn in this sheet by Friday, October 23 .

Thank you.
