

St. Didacus Parish School
Learn. Serve. Lead. Succeed.

Principal's Newsletter
April 10, 2018

To: All Parents
From: Christine Dean

Alleluia! He is risen! May the love of Jesus be within every one of you! I hope you all had a wonderful Easter and wonderful week with your children.

Don't forget that the **2018-2019 Parent Agreements need to be turned in soon. The first registration fee is due with the signed agreements by April 17. Families wishing to apply for tuition assistance should have done so by March 31. If you would still like to apply I will extend the due date to April 15. Make sure that you complete the entire application by that date. To apply, please go to <https://online.factsmgt.com/aid>.**

The **St. Didacus Family Math Night** is this **Wednesday, April 11** in the school auditorium at 6:30. It is for all students and their families. Please do not just drop off your child. This night is designed for **families to work together and have fun. Please come!**

San Diego Catholic Schools' Night at Petco Park: Join us for a night with the Padres, Friday, June 1 at 7:10 against the Cincinnati Reds. Please see the flyer in the family envelope for more information.

We are looking for **parents** who would like to get **more involved in our school** next year. If you're interested please read the **Parent Volunteer flyer**. I am sending it out again in this week's family envelope. I encourage everyone to get involved. If you feel you can help out in any way that is not on the list, please write it in.

Our annual **Fine Arts Night and Ice Cream Social** is just around the corner. It will be on **Tuesday, April 17**. This is a night where we display student art, and both the choir and dance team perform. We hope you put it on your calendar. It is definitely a night you don't want to miss. Mrs. Smith will be looking for parent volunteers that morning to help her hang the artwork. If you have time after the morning assembly, please stay and help her out.

Mrs. Prince is in need of magazines like: ZooNooz, National Geographic, and any other nature-based magazines. She needs these for activities she does in the Science Lab. If you have any that you would like to donate, please send them in with your child. She would greatly appreciate your donations. Thanks!
