As most of our school families know that I have not been feeling well and will probably be out of school this entire week. I will be undergoing several tests this week since the doctors have not determined what is causing my illness. Mrs. Christine Dean, our Vice Principal, will assume my duties until I return. Please keep me in your thoughts and prayers.

STAR Testing results will be going home today. Please check your Tuesday envelope.

The next Fall Festival drop off day is Wednesday, October 11th before and after school. See the enclosed flyer for what is needed.

Fall Festival T Shirts are in and orders are being processed. Students can wear their shirts on Friday along with their uniform bottoms.

Picture Make – Up Day has been re-scheduled for Thursday, Oct. 26th.
